

LIAISON 3-3

## REGIONAL ANALYSIS

Afghanistan	<u>Northern Afghanistan</u>	D/OG/RR	CIA/RR-G-21	SECRET	Oct 1955	June 1958
A regional geography of Afghanistan north of the Hindu Kush, including information on the physical background, terrain and vegetation, roads, climate, the people, and economic activity.						
Thailand	<u>Regional Analysis of Northeast Thailand</u>	D/OG/RR	PN 61.1380	SECRET	Oct 1955	Estimated Oct 1958
A study of the basic physical and cultural geographic factors of Northeast Thailand.						

## INDUSTRY

Latin America	<u>Petroleum in Latin America</u>	D/OG/RR	CIA/RR-G-17	SECRET	Oct 1956	Aug 1957
A non-technical study of the petroleum situation in each country and colony in Latin America where oil is being produced; where there is or has been an active exploration program; or where there are refineries. Topics considered for the major oil-producing countries include geographic setting, status and development, production, reserves, refineries, markets, and transportation. For the less important producing countries, only a summary of the overall situation is given.						

## SERVICES

Latin America	<u>Railroads in Latin America</u>	D/OG/RR	CIA/RR-G/E-76	FOR OFFICIAL USE ONLY	Sep 1953	Oct 1957
An explanatory memorandum to accompany Map 13886, Railroads in Latin America (in 3 sheets).						

23 JAN 1958

Approved For Release : CIA-RDP61-00391R000100300001-6
